### Principal's Corner

Thank you to all the parents and children who attended the parent teacher interviews and the 5/6 Family Life evening this week.

Thank you to all the teachers, office staff, OSHC staff and the Parents Club for another fabulous term. Many teachers had interviews over three nights and the grade 5/6 staff also attended the parents evening. The staff do a wonderful job and deserve the two week break to prepare mentally and physically for term 3. It has been a long and rigorous term.

The school self evaluation has finally been completed. I will post it on the school's website as soon as the final copy is proof read. Mrs. Costa, Mrs Fridey and I attended an afternoon session on Wednesday to begin the next step which is writing the school's strategic plan for the next four years. The future goals and strategies from the self evaluation will form the contents of the 2009 – 2012 Strategic Plan. We hope that parents will join with the teaching staff and school council in putting this document together.

The curriculum overview for each grade level for term 3 should be posted on the website by the end of this week.

There is a community petition at the office requesting a crossing on Civic Parade. If you support this worthy cause please call in and sign the petition.

For safety reasons, the gates into the school are opened at 3:00 p.m. Please also understand that at times the grade 5/6 students are deeply involved in their school work or otherwise engaged (excursions, incursions etc) and may at times be late or even forget. Thank you for your understanding and patience with this matter.

Contact the office if you arrive and the gates haven't been opened at 3:00 p.m.

Have an enjoyable term break and we look forward to seeing everyone back fit and healthy ready for another term of learning.
