

Altona Primary School - Expression of Interest for School Activities

Dear Parents / Guardians,

Parents / Guardians play an important role in ensuring school excursions, camps and other activities such as swimming are successful. Children enjoy having their parents involved and allow the event to be successful.

Parents / Guardians who help in the classroom, on camps, excursions, and in other school programs, are required to provide the school with a current Working with Children Card or have completed a Working with Children Card form available at the office.

When deciding on parents / guardians attending the activity, the team of staff involved will take into account –

- any valuable skills the volunteers have to offer. For example first aid.
- the need to include both male and female adults.
- the needs of students in the group.

Depending on the nature of the activity the teacher in charge will communicate the expectations of your role for the duration.

Before completing the form below please consider if you have previously assisted on a school activity this year.
