Term 1 in Grade 5/6 - 2015

Altona Primary School

This Term presents itself as a very busy 9 weeks in the 5/6 Team, as there are lots of extracurricular events happening within the cohort and wider school community. Here is an outline of the curriculum areas we will be covering during the term:

Reading:

In our Reading sessions, students will continue to be exposed to a range of interesting and challenging material in various genres and forms of media.

Students will be focussing on common areas of need identified through our assessment tasks, such as reciprocal reading and comprehension strategies ie: predicting, summarising, clarifying and making connections.

Writing:

This Term in Writing we will be continuing to develop student’s writing craft throughout the writing block. This will encourage students to develop their own voice as an author and continue to develop their own style through creative writing. Writer’s workshop will focus on personal narratives and different styles of fictional writing.

Mathematics:

This term in Mathematics we will be looking at the following topics:
Place value, Addition /Subtraction, Multiplication, Data and Time.

Integrated Studies - Natural Disasters:

This unit is linked to the Australian Curriculum – Science of Natural Disasters and how they occur.

Homework:
- Students to select and research a Natural Disaster of their choice.
- Cyber safety course (Postie)

Camp:

We look forward to working with your families.

Regards
5 / 6 Team
