Dear Parents,

Over the next few weeks in Reading we will be focusing on the following strategies:

“Matching the spoken word to the text” - making sure that we are pointing to each word as we say it.

"Making a prediction" - looking at the title and illustration on the front cover of the book and guess what will happen in the story.

"Look at the picture" - encouraging the students to use the picture to help work out tricky words.

"Get your mouth ready" - encouraging the students to look at the first letter of a word and 'get their mouth ready' to make that sound.

Please refer to these strategies when reading with your child at home.

Thank you for your continued support.

Kind regards,
Prep Teachers.
