Wow what a difference our centenary playground makes. A big thank you to the committee; Mrs. Barwise, Mr. Craig and Ms. McKendrick for their work in developing the drawings, obtaining the quotes and organising the building of the playground. The Committee has been working on this project for almost a year. The playground looks fabulous on the front corner of the school. The big slide and the flying fox are very popular. We really thank the school community for their support with our fundraising.

Our next project is the Centenary paved footpath. The concrete base will be laid during these holidays. This is an exciting chance to have your children and family name permanently recorded at the entrance to the school.

The reports are now completed. It is amazing reading through students’ comments and seeing the ‘learning and teaching’ language they use. I am so impressed with the effort and behaviour of our students.

We have had an awesome first half of the year. It is a real privilege to watch our students learning and growing socially, emotionally and creatively. They are very lucky to have such dedicated and highly skilled teachers.

On Monday our school renovations begin. The renovations should be finished before the end of term 3. The office area will be re-established in the current photocopying room. This will be a major disruption as the school office staff move in into my office with me and we have no ‘front counter.’ We will work our way through the inconvenience.

We wish Mr. Fava all the very best as he heads off around Australia for the rest of the year. His grade will really miss him.

We wish Mrs. Galvin an exciting holiday in Bali for the remainder of this term. Debbie works skillfully and tirelessly completing a huge range of work.

The Curriculum Day last week; ‘Seven Steps to Writing Success’ was a very productive day. Improving the learning and teaching of writing is part of our Strategic Plan and the 2015 Annual Implementation Plan. The seven steps of teaching writing strategy will motivate and engage students. It was a day which unearthed many of the teachers’ hidden writing talents.

The grade 3 teachers began this process last year thanks to Mr. Hargreaves and Ms. Massey. I am sure students noticed a difference in the way writing was taught this week.

Thank you to our Family and Friends committee for providing the school Disco tomorrow evening. The students love attending the discos.

**Friday 26/6/15 is the last day of term 2. We finish at 1:30.** Students are not required to bring lunch unless they are going to after school care.

Have a great weekend

There has been a confirmed case of chickenpox in the Grade 1 level.
If your child becomes unwell, or develops a rash, a visit to the
Doctor may be required.

GATES CLOSED AT 3.30PM EACH AFTERNOON
Gates will be closed from 3:30pm each night now – this is a safety issue for Out of
school hours Care children.
Children with supervising parents are welcome to stay in the yard but need to leave
via the office doors.
Excitement levels at APS have reached fever pitch this week with the construction and completion of our brand new Centenary Playground. What we thought was just a vision is now a reality. The excitement, amazement and anticipation on the children’s faces as the playground was being constructed was priceless. As a school community it was our vision to celebrate the milestone of our 100 years with a beautiful commemorative playground prominently positioned within our school grounds. Unused space at the front of the school was chosen in order to maximise space in the school yard for the children to play. A long lasting addition to the grounds of Altona Primary School; for the children of today and the children of the future. With community support and planned fundraising events throughout the year, the projected fundraising forecast indicated the installation of the playground was an achievable goal. Fundraising efforts thus far have enabled us to have the playground installed now rather than wait for centenary celebrations in October. We really wanted to maximise the children’s use of the playground during the centenary year and ensure that it was completely finished, ready to play on and for an official opening ceremony during the centenary celebratory week, hence the completion of the playground to date. Although the playground now takes pride of place in our school it is important to remember that fundraising efforts remain at the forefront for the remainder of the Centenary Year in order to complete the payment. So far, we have raised $31,000 of the $56,000 required. Funds raised so far are thanks to our amazing school community, your ongoing support is greatly appreciated.

All fundraising throughout the year, and perhaps 2016, will go towards the playground: centenary pavers, school concert, discos and all Friends and Family Committee fundraising.

It is with great surprise to Mr Enright that we announce the Centenary Playground has been named in his honour, “The Kevin Enright Centenary Playground”. In keeping with our centenary catch phrase we saw it fitting that the playground be named in Mr Enright’s honour – as our serving Principal for the past 16 years;

Learning from the Past - Mr Enright is our longest serving principal.

Exploring the Present - Mr Enright is our current principal, who continues to provide us with visionary leadership.

Shaping the Future - Mr Enright is continuing to lead us into our next 100 years.

In order to celebrate the community and school efforts of creating our beautiful Centenary Playground we will have an Official opening in October during our celebratory week.

We thank you for your ongoing support and hope everyone enjoys our Centenary Playground

They say Somers Camp is an experience of a lifetime. They aren’t wrong. This was my second time attending the camp as a visiting teacher, and it’s somewhere that you have to visit to be able to describe. Putting 160 kids and 9 teachers from 17 schools in the local area together could be a recipe for disaster. Except it’s not. Throughout the camp, the children develop strong friendships with their hut and group, challenge themselves to overcome fears (including the 20m high challenge swing) and become more resilient by spending such a long time away from home. What’s so amazing about the camp from a teacher’s perspective is being able to witness all of this. Seeing the change in each and every child made the long days (and for some visiting teachers, long nights) 100% worth it.  

Miss Kent

They pull me up, step struggle, step struggle I am nearly up to the top 40cm, 30cm, STOP!!! The people yell out 3, 2, 1, everyone brace, pull! I pull the little green ball, nothing happens, I wait, I am still tugging the ball. Then my stomach is gone in thin air, and then it’s back again. It felt like the crowd was screaming my name yelling 3, 2, 1, and then they leave and you now have that feeling like you pull the ball your amazing, you don’t pull the ball you live in a dumpster, and right now you feel like you’re already in the dumpster.

You say I will pull the ball and you do it, feel like you are going to and you feel and you say to yourself “I’m happy”, “I’m glad I did that”. Then you actually think you are having fun except you are not thinking you are actually feeling happy and fun. Except within 2 minutes it’s all over you just keep swinging and swinging and swinging, until you stop swinging and you hang until they get the ladder you climb down the ladder and you back on the ground.

Our 16 students represented APS beautifully. Their behaviour, enthusiasm and manners were commented on by several Somers Camp staff, and the teacher’s from other schools. Thankfully no one was attacked by the ghost chickens, nor encountered the man in the big black hat.
