Principal’s Corner

We received the 2015 NAPLAN results this week. We were very excited to see that the results were significantly above the state in all curriculum areas for both grades 3 and 5. Well done to the grade 3 and 5 students and teachers. It has been a team effort supported by the hard work of families at home.

Come along to the working bee from 9:00 -12:00 on Saturday September 12th. See the attached form for details. The school needs a big clean up before our Centenary Celebrations next term. We will stop and have pizza and a soft drink at 12:00pm.

The school concert tickets are selling quickly. This is a one of our premier events. The concert is something you don’t want to miss. The venue will be amazing. Book online at www.trybooking.com.au. Further information is enclosed in the newsletter.

The Athletics Day on Monday is another energetic school and community event. Thank you to Mr. Morris for organising the day and all of our parent helpers.

The Parent Request form for 2016 grade placements is available at office. The information required on the form is related to educational, social and emotional development of your child. This information will be taken into account when grades are being collated. Please do not indicate preferred teacher’s name. There will be some changes of year levels by teachers so we cannot be sure what grades teachers will have in 2016.

Cars cannot park at the front of the school between 8:00 and 9:30 (It is drop off only) but can park for 10 minutes after school. U-turns are not permitted in front of the school. Please adhere to the traffic regulations for the safety of all students.

Have a great weekend.

National Cross Country Championships

From August 28th to August 31st the National Primary and Secondary schools Cross Country championships are taking place. This year they are in Melbourne. There is an opening ceremony on Friday 28th, individual races will be held at Moonee Valley race course on Saturday 29th and the Relays at Albert Park on Monday 31st.

After a tough race at the State finals in July, I managed to secure a spot on “Team Vic”, coming first in my age group. The top 5 place getters get the chance to represent Victoria. This is the second time I have made it into Team Vic. I am very excited as I will be older and now have more experience in racing. I will do my best and hope to do well for Victoria.

My individual race will start at 9.45am. It is a 3km mixed grass, gravel and road track within the race course. Zoe Woods (grade 6, 2014) is also representing Team Vic in the girls 12 year old race.

If you are interested in cross country and would like to see what it is all about, Saturdays primary age events starts at 9.30am and go through to 11.30am. Entry is free (I think).

Ride2 School Day!!
On Wednesday the 12th of August Altona Primary School had a ride2 school day. First of all thank you to the students and parents for participating in this event. 4J went to different year levels and collected the data they asked if they walked, rode their bikes, rode their skateboard or scooter, went in public transport or drove. If the student drove or took public transport it didn’t count because that is not being active. It was a close call between 4J and 3H but 4J just beat them buy 6%. With 4J on 63% and 3H on 57%, the grade fours were the most active year level. Also the lowest percentage grade was 3M, on 11%. Again we would like to thank everybody for participating in the ride2 school day!!

ALTONA PRIMARY SCHOOL CENTENARY CELEBRATION WEEK

Monday 19th October – Saturday 24th October 2015

It is an absolute privilege for current staff and students to be a part of this Centenary year and we warmly invite past students, families, staff, local community and anyone connected to APS to join us, to be part of and share in our celebrations.

Ninety-nine years in the making brings us to our Centenary year. We encourage everyone involved in our history to be part of Altona Primary School’s Centenary celebrations. A year of planning and numerous celebratory activities throughout this very special year will culminate in a week of celebrations.

In order for all those connected to APS both past and present to be part of these celebrations, we are opening up our school. We warmly invite you to attend as many of the events planned throughout the week or maybe take a wonder through the school during our open afternoons. This is a one-off opportunity to share in such a momentous occasion. For some families there are 4 generations of history with the school. We wonder when the school began in 1915 if the Fleming family could have foreseen the school of today.

Staff have been digging through school and personal archives to uncover amazing photos, memorabilia and historic items. We have had a steady stream of past students and parents dropping off artefacts and sharing their stories, all of which will be combined to create the most magnificent display of our history and our journey to date. This display will be an opportunity to relive the past, reminisce, tell stories and share in our rich history.

Take a trip back in time to your own school days and see how school has evolved throughout the years. Along with photos and memorabilia on display we have a variety of centenary mementos available for purchase. We even have an opportunity for you to be part of our building history by purchasing a named paver to be laid in our Centenary path. We are capturing our history and our year of celebrations on a DVD which will be available for purchase after the Celebration week.

A Centenary Week timetable is included with this note and is updated regularly on our website, so put the dates in your diary. We would like as many people as possible to join us throughout the week during each of the events.

Altona Primary School is honoured to reach its milestone of one hundred years. This significant milestone will bring our community of the past, present and future together. Recording and preserving the history and story of Altona Primary School and sharing experiences, will enrich the lives of our school community and shape the direction of the school’s future.

Past — Learning about our history and what schooling was like through the eyes of the wider community.
Present — Showcasing how children learn today, sharing changes to our school through the decades.
Future — Bringing the past and the present together to shape our future.

“3 WAY STUDENT LED CONFERENCES”

When: Thursday 27th August 2015 (11am – 7.30pm)
Where: Classrooms
Who will participate: The student, parents/carers and the classroom teacher

It is crucial for every family to participate to support your child’s learning

Dear Parents/Carers,
On Thursday 27th August 2015 3-Way Student Led Conferences will be held for all students from Prep – Year 6.

As this is a Curriculum Day students will not be required to attend school, other than their scheduled conference time with their parents.
Out of Hours Care will be running a full day program.

At Altona Primary School we aim to give the learner increasing responsibility and ownership for their learning so they can develop into independent, life-long learners. A ‘Student-Led Conference’ is a way to encourage students to take responsibility for their own learning, actions and decisions. It also demonstrates that, together, we will support their learning and celebrate their achievements.

Roles & Responsibilities:
Students:
➢ Students plan and prepare their work for discussion with the support of their teacher. During the conference students demonstrate their learning goals with evidence of their learnings. This enables students to share their work in a confident and articulate manner.

Parents:
➢ Parents are expected to attend the conference with their child. Parents can offer support and encouragement, be active listeners and praise their efforts.

Teachers:
➢ Teachers support students develop their confidence to share their work and understandings effectively. They play a crucial role in supporting students to plan and prepare the work they choose to present as evidence of their learning. Teachers support students in selecting effective presentation skills. Teachers will also assist with other information for parents regarding their child’s learning.

The conference will take approximately 15 minutes. The structure of the conference may differ across year levels, however, this opportunity allows for students, parents and teachers to meet and continue a partnership that will produce the best possible learning environment for your child and to celebrate their achievements.

With thanks
