Principal’s Corner
Welcome back to all of our students, staff and families. We have had a really good start to term 3. It is truly motivating to be back working with our wonderful students, staff and parents.
I was very excited this week to have my Principal contract extended for the next 5 years. I would like to thank Eamonn for his support as School Council President.
A big thank you to the Galea family; Zayne, Cade, Liana, Chris, and grandparents Peter and Tom. During two Sundays over the holidays, they dug the soil and laid the new concrete pathway leading into the school. The signature pavers will be laid on top of the concrete path, again by the Galea family.
We have extended the deadline for purchasing a paver with your name engraved on it until the start of November. This way we will be able to include many of our past students and families in the pathway.
Congratulations to Lucinda Rourke on winning the State Cross Country championship. Lucinda now goes on to compete in the national championships. A fantastic effort.
The school band; The Eclipse, sounded fabulous at assembly on Monday morning. The audience was enthralled with the performance.
The school renovations are progressing well. The demolition work in the office area is completed. We are into the rebuilding stage. The Prep and Grade One portables have had the exterior painted. Mr. Fava’s room is having an internal and external makeover. The exterior of all of the windows in the main building will be repaired and repainted.
Congratulations to the grade 5/6 boys and girls basketball teams for winning the Hooptime competition. Thank you to Mr. McPherson and Mrs. Kenny for their great coaching. They enthusiastically gave up many lunchtimes to coach the teams.
We had some awesome ICAS Digital Technology results this week. From the small number of students who sat the exams, the students achieved one High Distinction, 5 Distinctions and 3 Credits. Congratulations to Shirkhar who gained the High Distinction placing him in the top 1% of students in Australia, New Zealand, Singapore and Hong Kong.
The school concert is taking shape. The grades are vigorously practising their dance steps. A big thank you to Mr. Rouse and Ms. Nichols for all of their hard work creating and leading our concert. Tickets are on sale now. It is an expensive exercise to have the concert in a big theatre in Melbourne. We need to do this to fit everyone in and give the students the big stage they deserve.
Next Tuesday is the 100th day in the 100th year of Altona Primary School’s 100th grade Prep!

Have a terrific weekend.

Mr. Kevin Enright

We want stories about robots and hoverboards, the invention of the wheel, horses and carriages and your iPhone. And maybe even about futuristic technology that hasn’t been invented yet. You can interpret technology in many ways – you choose how to interpret it.

In particular, we are looking for these kinds of submissions:
- Stories (250-1500 words)
- Poems (no more than 30 lines)
- Comics

NATIONAL TREE DAY
Sunday 26th July, 2015
Hobsons Bay Council have organised two dedicated tree day sites. One at Harris Reserve (Marsh St, Altona North) and the other at Skeleton Creek (Creek Water Close - formally Markham Way, Altona Meadows).

If you plan on attending, contact Libby at the council.

We are also hoping to increase the biodiversity at APS this year by participating in planting around the school. Not only do plants and trees look fantastic in our yard and give us shade, but they provide a habitat for many insects and birds.

NUDE FOOD DAY REPORT
Last term we held our first Nude Food Day. The class enviro captains counted up the different types of rubbish in their grade. Everyone made a great effort to try and bring less rubbish. There was a total of 491 pieces of rubbish for the whole school. This is less than the number of students we have at APS! 44 percent, which is almost half, of our rubbish was pre-packaged. This means things like chip packets, muesli bars or food in a wrapper. In 3rd place was 1F with only 7 pieces of rubbish for the entire grade! In 2nd place was 3/4M with 6 pieces of rubbish! And our nude food champions are Prep S, who only had 5 pieces of rubbish! Well done!

Following Nude Food Day, many students returned to their old habits, with a lot of rubbish being found around the school grounds. We hope that we have created an awareness of how easy it is to reduce our waste at APS. In the future, we hope that people can try unwrapping things that have packaging, or tip them into a small container. Did you know that grades can also take any fruit or vegie scraps to the compost bin? It’s near the vegie garden. The class enviro captains are planning to hold another Nude Food Day later this term.

As a parent of a child on the Autism spectrum, I understand all too well that through exercise children with Autism can really benefit not only with muscle development, co-ordination and strength but also can help with social and emotional development due to the confidence that is gained during their RT sessions.

I work closely with families (in their own-home if preferred) and focus on the strengths that the children have to guarantee success and achievement, in a non-competitive and supportive way.

Each Program is individually written to suit each child that I work with to meet their current needs and also to compliment other therapies.
