Principal’s Corner
Thanks to our Family and Friends Committee for a very successful Father’s Day Stall. I hope all of our dads have a wonderful day.

Congratulations to Lucinda Rourke who came 6th in the National Cross Country final on the weekend. Lucinda is a talented athlete and a fabulous role model.

The Working Bee is on Saturday September 12th. Please fill in and return the attached form and help us get the school ready for the anniversary next term.

I have managed to send off all of the signature pavers ordered so far, in order to lay half of the pathway over the next term holidays. A huge thank you to Lainee Barwise for collating all of the family details to be engraved on the bricks.

The student led three way conferences were a big success last week. The feedback from teachers, parents and students was positive. I am constantly amazed at how good our students are.

The renovations should be finished at the end of next week. We then begin a small renovation of the library thanks to recent Government funding.

The Education Department will be removing the single portables and replacing them with 2 new double portables before the end of 2015. This will set the school up for the start of 2016. The new portables will be similar to Mrs. Wendt and Miss Nichols’ portable; large, modern teaching and learning spaces.

Have a great weekend,
Kevin Enright

ALTONA PRIMARY SCHOOL CENTENARY CELEBRATION WEEK

Monday 19th October – Saturday 24th October 2015

It is an absolute privilege for current staff and students to be a part of this Centenary year and we warmly invite past students, families, staff, local community and anyone connected to APS to join us, to be part of and share in our celebrations.

Ninety-nine years in the making brings us to our Centenary year. We encourage everyone involved in our history to be part of Altona Primary School’s Centenary celebrations. A year of planning and numerous celebratory activities throughout this very special year will culminate in a week of celebrations.

In order for all those connected to APS both past and present to be part of these celebrations, we are opening up our school. We warmly invite you to attend as many of the events planned throughout the week or maybe take a wonder through the school during our open afternoons. This is a one-off opportunity to share in such a momentous occasion. For some families there are 4 generations of history with the school. We wonder when the school began in 1915 if the Fleming family could have foreseen the school of today.

Staff have been digging through school and personal archives to uncover amazing photos, memorabilia and historic items. We have had a steady stream of past students and parents dropping off artefacts and sharing their stories, all of which will be combined to create the most magnificent display of our history and our journey to date. This display will be an opportunity to relive the past, reminisce, tell stories and share in our rich history.

Take a trip back in time to your own school days and see how school has evolved throughout the years. Along with photos and memorabilia on display we have a variety of centenary mementos available for purchase. We even have an opportunity for you to be part of our building history by purchasing a named paver to be laid in our Centenary path. We are capturing our history and our year of celebrations on a DVD which will be available for purchase after the Celebration week.

A Centenary Week timetable is included with this note and is updated regularly on our website, so put the dates in your diary. We would like as many people as possible to join us throughout the week during each of the events.

Altona Primary School is honoured to reach its milestone of one hundred years. This significant milestone will bring our community of the past, present and future together. Recording and preserving the history and story of Altona Primary School and sharing experiences, will enrich the lives of our school community and shape the direction of the school’s future.

Past – Learning about our history and what schooling was like through the eyes of the wider community.
Present – Showcasing how children learn today, sharing changes to our school through the decades.
Future – Bringing the past and the present together to shape our future

National Cross Country

On Saturday I raced in the National school sport cross country, at Moonee Valley Race course. I am very happy with my race coming 6th overall and receiving a bronze team medal. I raced again on Monday but this time on a 1500m loop at Albert Park. Our team came 5th overall but we gave it our best shot. At the closing ceremony Team Vic placed 3rd and won the “Most improved aggregate.” I had a great weekend of running and made lots of new interstate friends. I would like to thank all of those who bought raffle tickets to support me. I would also like to thank Mrs Kenny, Miss Kent and Mr Clarke for all coming down to cheer me on.
