Maintaining Registers

Victorian Institute of Teaching (VIT)

All teachers who are employed or engaged as a teacher in a Victorian school must be registered with VIT. The *Education and Training Reform Act 2006* (part 2.6) sets out the requirements for registration as a teacher. Section 2.6.56 prohibits persons from undertaking the duties of a teacher in any Victorian school without current Victorian Institute of Teaching registration.

Under the Act it is an offence for any school to employ a person to undertake teaching duties unless they are registered or have permission to teach.

The Minimum Standards for school registration require schools to:

- maintain a **register** of VIT details for all teaching staff; and
- have **procedures** for maintaining that register

COMMUNICATION OF SCHOOL POLICIES AND PROCEDURES POLICY

Altona Primary School will maintain a current register (through access on the VIT school portal), of VIT details (including names, registration numbers and expiry dates), of all teaching staff. Altona PS may also choose to keep a separate table or spreadsheet as the register. The Altona Primary School principal (or a designated nominee) is responsible for ensuring the register is current and readily accessible. The principal (or designated nominee) will develop a local procedure and be responsible for recording each staff member's VIT information in the register at the commencement and cessation of employment and following up with them if their VIT expiry date is reached.

Working with Children Checks

All Victorian government schools are required to comply with the Department's policy in relation to Working with Children Checks and other suitability checks for all **employees** (both Department and school council employees). The Department's policy (which incorporates legal requirements under Ministerial Orders) must be followed in relation to Working with Children Checks or other employment suitability checks **for employees**.

Working with Children Checks are required by law only for people who engage in child-related work, unless an exemption applies (e.g. parent supervising their own child, Victorian Institute of Teaching (VIT) registered teacher, police officer).

The Minimum Standards for school registration require schools to:

- maintain a **register** of all staff with a Working with Children Check; and
- have **procedures** for maintaining that register

Altona Primary School will keep a current register of staff holding a Working with Children Check (including names, registration numbers and expiry dates), generated from CASES21, or may choose to keep a separate table or spreadsheet as the register. Altona Primary School principal (or a designated nominee) is responsible for ensuring the register is current and readily accessible. The principal (or designated nominee) will develop a local procedure and be responsible for recording each staff member's Working with Children Check information in the register or in CASES21 at the commencement of employment and following up with them when the expiry date is reached.

Working with Children and Suitability Checks - volunteers and visitors

Altona Primary School will determine what checks will be required for **Volunteers** and **Visitors** to the school in accordance with legal requirements under the *Working with Children Act 2005 (Vic)*, the Child Safe Standards and Department policy.
